

# Immigrant Welcome Center Sponsorship Opportunities 2026

## Committed to Meaningful Connections

For 20 years, Immigrant Welcome Center has been able to realize the vision of former First Lady of Indianapolis, Amy Minick Peterson, to create a space that welcomes and serves **all newcomers** to our city. Today, we've become a **visionary** leader committed to providing impactful service and meaningful advocacy to thousands of immigrants in Central Indiana and beyond.

As we celebrate our 20th Anniversary, we invite you to walk alongside us. Together, we can create and provide responsive programming and services, amplify Hoosier immigrant voices, and protect their rights each and every day.

Learn about the ways you can help Immigrant Welcome Center break down barriers and ensure equitable access to programs and resources for every Hoosier, born here or not.

With gratitude,
